05 Why should I preorder seasonal vaccines?

By preordering vaccines, not only do you guarantee timely delivery, but you also secure your products amidst fluctuating demands. Further, you secure additional benefits, including the following:

- **Priority Shipping:** Preorder your vaccines now to receive priority shipping based on manufacturers' schedules. By preordering, you ensure an earlier shipping window which helps avoid potential supply chain limitations.
- **Price Protection:** You will benefit from price protection by receiving the lowest authorized price from the product order date to the shipment date – including GPO contract pricing if applicable.
- **Flexible Returns:** You can return a percentage of your unused flu and COVID19 vaccines in accordance with manufacturers' terms and conditions.
- **Ordering Convenience:** Order anytime from wherever you are using our convenient options: online, email, phone, or fax.
- **Knowledge:** Your dedicated seasonal vaccine team is here to assist you throughout the entire season.

06 If I preorder, when will I receive my vaccine order?

We process shipping doses as soon as they are available from the manufacturer. Historically, preordered doses begin shipping mid-to-late August and continue through November. Once preorders are fulfilled, we will ship orders as placed.

07 Who should I contact if I have additional questions or need assistance with placing a seasonal vaccine order?

Our dedicated seasonal vaccine team is here to assist you throughout the entire season. Email seasonalvaccines@amerisourcebergen.com or reach out to your dedicated account representative today.
