

ASHP

Midyear Meeting

Continuing Education Opportunities
through AmerisourceBergen

AmerisourceBergen will sponsor three CE's* at the 2017 ASHP Midyear Meeting on timely topics that affect your patients and hospital pharmacy.

Pharmacy Led Reimbursement Services Improve Revenue and Outcomes while Strengthening Provider Relationships

Monday, December 4
Hyatt Regency
Regency Ballroom T

6:00 am – 7:30 am

Prior authorization as a component of reimbursement services is critical for maintaining patient access, delivering coordinated care and health system financial performance. This session will explore the advantages of pharmacy led reimbursement services—including benefits verification, prior authorization as well as patient assistance activities.

Expert Answers: Sterile Compounding in Health Systems

Tuesday, December 5
Hyatt Regency
Regency Ballroom P-Q

5:45 am – 7:45 am

Symposium faculty will shed light on difficult concepts and common concerns related to the implementation of new sterile compounding regulations. This session will address challenging and practical questions that have been asked by your pharmacy colleagues at previous educational events.

Developing an Infusion Site of Care Strategy for Your Health System

Wednesday, December 6
Convention Center
W101-Level 1

11:30 am – 1:00 pm

Site-of-care optimization is a priority for health systems seeking to boost patients' access to infusible drugs while also increasing patient convenience, as well as lower costs for the drugs and their administration. This CE will present innovative strategies to ensure patients' access to care- rationale for each, development, outcomes and next steps.

Interested in attending one of these CE's? Visit us at **booth #1941** to learn more!

* These activities are eligible for ACPE credit; see final CPE activity announcement for specific details.
