

# 2020-2021 Vaccine Quick Facts

As your trusted partner, we at ASD Healthcare know you value information and convenience. Our FluFirst Vaccine Quick Facts summarizes certain information provided by the product manufacturers in the products labeling and/or package inserts concerning form, packaging, and age indications to assist you in the ordering process. As always, customers are strongly advised to review each product's label and package insert for more information.

<sup>1</sup> For all questions related to injection safety, allergies or other vaccination recommendations please refer to the Centers for Disease Control (CDC) and/or the product labeling.

<sup>2</sup> Age indication and designation as "Egg-free" and/or "Thimerosal-free" information is based on information contained in the product labeling and package insert and not on any independent testing or assessment by ASD Healthcare. Customers are strongly advised to review each product's label and package insert for more information.

<sup>3</sup> All codes should be verified between the provider and the payer.
